## LAS CRUCES AND MESILLA VALLEY

### FIVE CUTTINGS OF ALFALFA AT CRUCES

American Bend Colony Will  
Have Sufficient Winter  
Hay to Keep Stock.

Las Cruces, N. M., Oct. 12.—Five cut-  
tings of alfalfa is the record for this  
year from the American Bend colony,  
12 miles north of this city. Notwith-  
standing the fact that the river has  
been dry for the past three months  
and that there has not been sufficient  
rainfall to mature any crop, the farm-  
ers in the neighborhood of the Leas-  
burg dam are this week cutting alfalfa  
for the fifth time during the season.  
This last cutting is not a big one, the  
average yield probably running a little  
less than one-half a ton to the acre,  
but the quality is excellent. Before  
winter sets in all the farmers at the  
American Bend will have luxuriant  
pasture on their alfalfa fields, suffi-  
cient to keep all their stock through-  
out the entire winter.

### BILLIARD TOURNAMENT RESULTS AT LAS CRUCES

Las Cruces, N. M., Oct. 12.—The sec-  
ond night of the billiard tournament  
was occupied by teams composed of J.  
J. Schneider and Edward Elbe against  
Cesarino Armijo and S. W. Laub. The  
scores were as follows: Schneider,  
55, with a high run of 6; Elbe 45, with  
a high run of 6; Armijo, 62, with a  
high run of 7, and Laub, 29, with a  
high run of 4. This gives the game to  
Schneider and Elbe by a margin of  
9 points.

### GRAND JURY AT LAS CRUCES COMPLETES ITS LABORS

Las Cruces, N. M., Oct. 12.—The tri-  
bunal grand jury completed its  
labors yesterday and made its final  
report to the court. During the ses-  
sion the grand jury has returned 23  
true bills and 14 no bills, and it leaves  
the docket cleaned up, no case going  
over for the consideration of the next  
jury. The panel was discharged by  
Judge Wright with the thanks of the  
court.

## CRUCES ENTERTAINS ARMY ENGINEERS

El Pasoans Accompany the  
Government Men to the  
Engle Dam Thursday.

Las Cruces, N. M., Oct. 12.—The  
band of army engineers was the  
guest of Las Cruces yesterday. The  
special train bearing the engineers and  
the escort from El Paso passed  
through here about 2 o'clock bound for  
the diversion dam at Leasburg. The  
train returned about 4 o'clock and was  
met at the station by the reception  
committee appointed by the chamber  
of commerce and the Water Users'  
association. The engineers and the El  
Paso boys were taken in automobiles  
on a tour of the valley.

At 6 o'clock the entire party ad-  
justed to the Elks' club, where an  
informal banquet was served. The  
people of Las Cruces took advan-  
tage of the informality of the occasion  
to get acquainted with the army en-  
gineers and talk over the matters con-  
cerning the Elephant Butte dam.

The engineers were accompanied to  
Las Cruces by the following from El  
Paso: A. H. Happer, W. R. Brown, A.  
Courchesne, J. A. Smith, and C. A.  
Kinne. With the exception of Mr.  
Smith, who was compelled to return to  
El Paso on the evening train, the El  
Pasoans remained here and accom-  
panied the engineers to Engle, from  
where the party went to the Ele-  
phant Butte dam to inspect the works.  
The banquet at the Elks' club here  
was attended by about 100 people.

Young, president of the board of town

day.

### TAKE POLL TAX OF DELEGATES BY MAIL IN MASSACHUSETTS

Boston, Mass., Oct. 12.—The Demo-  
crats of Massachusetts, through their  
delegates to the recent state con-  
vention, will have another chance to  
express their preference for a candidate  
for governor as a result of the action  
of the state Democratic committee yester-  
day.

The committee decided to send spe-  
cial delivery letters to all delegates to  
the recent convention, enclosing return  
special delivery envelopes in which the  
delegates may express their prefer-  
ences. This indication of preference is  
intended for the guidance of the com-  
mittee of four to which the state con-  
vention delegated the power of nomi-  
nating the head of the ticket.

The committee has been in a dead-  
lock since its appointment, two of the  
members favoring the nomination of  
congressman Foss, and two of that of  
Charles J. Hamlin.

### BARNES' RESIGNATION SURPRISE IN NEW YORK

New York, Oct. 12.—The resignation  
of William Barnes, Jr., the old guard  
leader, from the state committee, was  
the big event in Republican circles  
here yesterday. State chairman Pre-  
ntice and Henry L. Stimson, the nom-  
inee for governor, acknowledged that  
the Albany committee's action was a  
surprise.

Immediately after receiving Mr.  
Barnes' letter of resignation, saying  
that the failure to reappoint him to  
the executive committee indicated either  
that his services were no longer  
useful or that he was "faithless" to  
the Republican ticket, chairman Prentice  
issued a statement disclaiming  
both these suppositions.

Mr. Prentice remarked that Mr.  
Barnes was not the only former mem-  
ber of the executive committee who  
was not reappointed and named four  
others who had been retired.

## DIX MAKES VEILED THRUST AT ROOSEVELT'S THEORIES

Thomson, N. Y., Oct. 12.—Although  
the name of Col. Roosevelt was not  
mentioned, there was no mistaking the  
bitter shaft of criticism hurled at him  
by John A. Dix, Democratic candidate  
for governor, when he, with the other  
nominees on the state ticket, was of-  
ficially notified of his nomination at his  
country home.

Mr. Dix declared that any American,  
who, occupying a position of authority  
or having the public ear, assails the  
courts is a public enemy.

New nationalism, "fathered and ad-  
vocated by a new apostle of discord  
and dissension," was characterized by  
the candidate as a menace to the va-  
rious institutions of the country.

## EX-GOVERNOR STANLEY, OF KANSAS, DIES IN WICHITA

Wichita, Kans., Oct. 12.—W. E.  
Stanley, former governor of Kansas,  
died at his home here this morning of  
hardening of the arteries from which  
he suffered for years.

## Broken Arrow Lady Says Welcome

Mrs. Guffey, of Broken Ar-  
row, Says Few Words

That Mean Much.

Broken Arrow, Okla.—"You are wel-  
come," says Mrs. Nora Guffey, of this  
place, "to use my letter in any way you  
want to, if it can be the means of in-  
cluding some suffering woman to try  
Cardui, the woman's tonic. Since taking  
Cardui, I am in better health than I  
ever was, and that means much, be-  
cause I suffered many years with fe-  
male troubles of different kinds. What  
other treatments I tried, helped me for  
a few days only."

Every woman would always keep  
Cardui handy, if she knew what quick  
and permanent results it gives, in cases  
where weakened vitality indicates the  
need of a strengthening tonic.

Remember that Cardui is a purely  
vegetable extract, composed of valuable  
medicinal ingredients, which have been  
found to build up the vitality, tone up  
the nerves, and strengthen the womanly  
constitution.

Cardui has been in successful use for  
more than 50 years.

Thousands of women, all over the  
country, know by actual experience  
what it will do, for the ailments to  
which women are peculiarly liable.

That it has helped others is the best  
proof that it will help you. Try it.
